to enjoy a playlist of Summer favorites created especially for you by 2LP building employees.

**EXPRESS Yourself**

**Congratulations to the Express Yourself Art Contest WINNERS**

Thank you to everyone who submitted entries!

**2 LIBERTY PLACE IS PLEASED TO PROVIDE THE NEWEST TECHNOLOGY IN ELEVATOR CAR PURIFICATION!**

Fujitec Ionful from Sharp Corporation, with Plasmacluster technology, releases dual-charged ions that surround, attach-to and break down airborne contaminants, which are then exhausted through the elevator cab ventilation system.

**TAKE YOUR BEST SHOT**

Photos taken during the quarantine.

**SUPPORTING LOCAL ARTS & ENTERTAINMENT**

Looking for a local live-stream to learn something new with the family?

The Barnes Foundation has posted more than 5 weeks of activities, with instructions in English and Spanish. Using materials that families may already have at home, kids and their adults can create art and learn from artists and objects in the Barnes collection.

**A WORK OF ART**

Artwork created to thank Healthcare Workers and First Responders for their service.

**Liz Baldwin**  
American College of Radiology

**JAMS FOR JUNIOR JAWNS**

Philadelphia songwriter and musician M'Ballia Singley presents "Jam for Junior Jaws" on Instagram.

The preschool program consists of original and classic songs for singing along, shoutouts to viewers, and appearances by Donut de la Sprinkles, Singley's 12-year-old.

Great for children ages 4-6!

**10-10:25 a.m. Fridays, live (and then recorded) on Instagram @juniorjaws**

**KIDS ... JOIN THE FUN!**

Masterpieces created by kids under the age of 14.

**Betsy, age 7 and Molly, age 9**
