

# LifeStyle!

## @2LP

Please join us in welcoming....

### Ms. Betty Gaul, RPA General Manager, 2LP

2LP is excited to welcome Betty to the property and the Coretrust family. As General Manager, Betty will build on the foundation that Mary Jo Ratigan successfully established. She will office in the Workplace Innovation Lab (26th floor), and she looks forward to introducing herself to 2LP tenant customers over the coming weeks, as COVID-19 precautions allow.

Matt Masceri, Ed Siegler and Candace Ryan remain as the 2LP Assistant Manager, Operations Manager and Customer Experience Director, respectively, and will continue to work from the 26th Floor Office of the Building within the Workplace Innovation Lab. Former GM John Maguire also continues in his role as Special Projects Director for the property.

This team, together with 2LP's premier building security, housekeeping and engineering staff, looks forward to continuing to provide the finest service to all 2LP customers and guests.

Congratulations!

### Edward Sieradzski Union Mechanic at 2 Liberty Place

for being honored with the CBRE Local Market Awards for Philadelphia. He was recognized for "**Greatest Contribution by an Engineering Professional**". Mr. Sieradzski joined the 2 Liberty Place engineering team in 2017, where his outstanding contributions to providing engineering excellence and energy efficiency are very much appreciated.

Francis Bicker / PM Engineering OPs Director, CBRE, Inc. states:

“Consistently looking for ways to make systems work better and more efficiently is the ultimate practice that defines an outstanding engineering professional.”

His work on many significant projects, include:

- Rebuilding of air handling units, pumps, and compressors
- Performing chiller and boiler maintenance
- Fabrication and rigging for various projects

### BARTRAM'S GARDEN

This 45-acre, legendary landscape and National Historic Landmark is located in Southwest Philadelphia. Founded by self-taught Quaker naturalist John Bartram in 1728, it is the oldest surviving botanic garden in the country.

The grounds at Bartram's Garden are free and open to the public 365 days a year.
