**HOLIDAY SPECTACULAR
IN THE NEIGHBORHOOD**

The holiday season shines bright in Philadelphia as attractions with glowing traditions, both new and old, light up the region year after year.

Dillworth Park, located in the very center of Center City – just one block from 2 Liberty Place – is a seasonal wonderland until February 28, 2021.

Winter revelers come to ice skate at the Rothman Orthopaedics Ice Rink, relax with a warm seasonal beverage at the open-air Rothman Orthopaedics Cabin and stroll through the gorgeous seasonal plant arrangements in the Wintergarden on the Greenfield Lawn.

And holiday shoppers can find their perfect holiday gifts and support local makers during the annual Made in Philadelphia Holiday Market.

Rothman Orthopaedics Ice Rink

The outdoor Rothman Orthopaedics Ice Rink features ice skating, skate rentals and twinkling lights in the shadow of Philly's astounding City Hall now through February 28, 2021.

The rink offers timed tickets, good for 90-minute skating sessions. Guests are encouraged to purchase tickets online, with walk-up in-person sales based on availability.

Note: Masks are required on the rink.
