LIGHTS OUT PHILLY

April 1st - May 31st
Midnight - 6am

Simply turn off your lights from 12:00 Midnight to 6:00 am during the spring migration!

Sign Up at birdsafephilly.org

- **Save Birds** A simple action like turning out lights can help birds navigate our environment and protect them, potentially reducing deaths up to 80%.
- **Save Money** Adjustments to lighting choices and usage are one of the single most effective ways to reduce your energy costs.
- **Save the Environment** The Lights Out programs helps reduce pollutants, such as carbon dioxide, and help moderate the impact of climate change.
- **Take Action** Turn off all unnecessary lighting during migration season, especially upper level, lobby, atrium and exterior lights. That includes flood lights, decorative lights, and event and spotlights. In offices, turn off ceiling and lights close to windows.
