Winter Wonder

LONGWOOD GARDENS

[Click here for tickets and more info.](#)

Now – March 27th

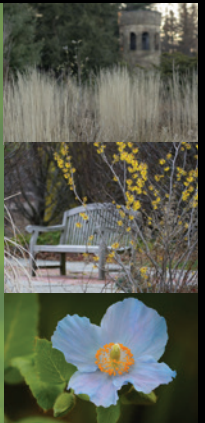

\$13-\$25, timed tickets required

Outdoors:

The lush vistas of Longwood Gardens have been stripped bare by the bitter winds of winter, but one may still spy the greens and oranges peeking through the snow. It's barren and picturesque.

Indoors:

Nature has been tricked! Flowers and other rooted things explode with color, blissfully unaware of the season or the latitude in which they reside.
