

LifeStyle!

Now through November 15

The beginning of fall migration is fast approaching, and we are once again asking community members to turn off unnecessary lights and/or minimize lighting during the peak fall migration periods, between midnight and 6:00 a.m.

Save the Birds • Save Energy • Reduce Operating Costs

Join us for a hands-on honey extraction workshop.

Our beekeeper will assist you over the course of this fun-filled hour as you uncap honeycomb cells, hand-spin honeycombs in the centrifugal extractor, and filter the raw honey before jarring and labeling.

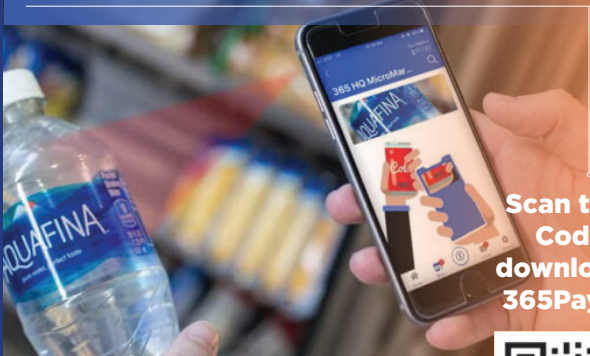

Walk away with an unforgettable experience and your very own jar of honey straight from our 2LP hives!
