Sauna is Life: Sauna Culture in Finland

Sauna is an inherent part of Finnish culture, a tradition stretching back 10,000 years, which visitors can experience firsthand at FDR Park's American Swedish Historical Museum during Sauna is Life: Sauna Culture in Finland. The outdoor pop-up exhibit allows parties of adults to reserve model saunas for 30- to 90-minute ticketed sessions, which also feature adjacent outdoor seating, a lounge, accessories, stories, photos, and videos telling of its steamy history.
